

Timberwolves Players and Parents,

Last year on a limited and trial basis, the Timberwolves sent two lacrosse teams to tournaments; one in Milwaukee and the other in Vernon Hills. Due to the outstanding response and success we had, the Timberwolves are happy to announce that we will be selecting one team at each level of U11, U13, and U15 to play in three tournaments around the region. The tournaments will be played in Milwaukee, Louisville, and Vernon Hills.

Our travel teams will be made up of the best players from all Timberwolves teams at each age level. Being selected to the Timberwolves Travel Team gives you the benefit of competing against some of the top lacrosse players in the Region. This is a big commitment beyond the spring season; it will include an additional day of practice during most of May and June, and then three practices a week once the spring lacrosse season ends. Please remember that this is in addition to the spring season, and that everyone's normal spring team will take precedence over any travel team practice until the end of the spring season.

Tournaments are held on weekends and will require travel for the players and family. We are asking that each player commit to all three tournaments. Below is a list of the tournaments and associated dates.

We will be holding **OPEN** tryouts for **ALL** U11, U13, and U15 players on **May 1st and May 4th**. During these tryouts coaches will be looking to form one team at each age level. Coaches will be evaluating basic lacrosse skills, athletic abilities, teamwork, and position requirements. While we understand you may have commitments on either of these tryout dates, it is strongly recommended that you attend both evaluation sessions.

If selected to a travel team, the cost for each player will be a program fee of \$200. The fee will cover the entrance cost and other additional fees for each of the tournaments.

Each player will be responsible for travel, lodging, and food for the three tournaments. Lodging will only be required for two of the events (only one if you choose to commute to Milwaukee). We have reserved limited blocks of rooms at a discounted cost to make things convenient.

We look forward to seeing everyone at the tryouts

Thank you,

Tim Ryan
